

OUR SPECIALTY EVENING, STREET FOOD AND PRIVATE EVENT FOOD

This is a blast from the past. Our days at Kirkstall Deli Market inspired this fresh, grassroots cooking and everything we love about food.

Drawing on our passion for food and travels from America to Thailand, we bring you favourites like our smoked beef short rib wraps, Pad Thai cooked in front of you or the spicy rib experience. All our street food options have been developed to become a cool and exciting option to explore for weddings and events.
